It was a great pleasure for me to work with Mr. Sadeesha Jayaweera and help him throughout the project and operate the tasks accordingly. He inspired and motivated us. Not only that his energetic and most capable character guided us throughout the entire project. Equal amount of work given to me and Bryan to complete was ensured by him.

As a whole, it is a pleasure for me to take part as a team member of this project and I am looking forward eagerly to work in more challenging projects in the near future.

Indeed Mr. Sadeesha Jayaweera was an enthusiastic dedicated project manager who assigned all the tasks properly and made it a point that everyone had performed his or her duty towards the accomplishment of this task. He was a very sociable and kind to everyone and kind to everyone and also while distributing the work he did so very efficiently and according to the skills of the employees.

Other than that I was lucky to be one of the team member and work with Jayaweera all through the development of the project.
